

**SCOTGRIP®**  
step into a safer environment

**Manufacturers of heavy duty,  
anti-slip safety products**

Ref: SCGR Ladders  
Issue No: 1  
Issue Date: Mar 2010  
Page No: 1 of 2

## Providing safety solutions to industry

**Scotgrip® Ladder rung covers incorporate the unique Scotgrip® high-traction anti-slip safety surface which gives a sound foot-holding in the most extreme conditions. These tough and durable products are manufactured under BS EN ISO 9001:2008 quality controlled conditions comprising of a reinforced composite base and a graded aggregate surface. As a Scotgrip® quality standard, these products are fire rated, spark and friction tested.**

Ladder rungs are made in all shapes and sizes and can become extremely dangerous when wet, soiled or oily.

By installing Scotgrip® Ladder rung covers (square or round) not only is this slip hazard eliminated but the lifespan of the ladder rung is greatly increased. These heavy duty products are easily fitted onto existing square and round ladder rungs using adhesives.

Our standard safety yellow ladder rung covers highlight each rung when climbing or descending the ladder. These products significantly enhance ladder safety.

**Call us with your requirements.  
Eliminate 'Slips and Trips' on your ladders.**

- **Eliminates 'Slips and Trips'**
- **Cost effective**

## HIGH-TRACTION ANTI-SLIP

Scotgrip® Ladder rung covers will provide a sound foot-holding even in the most extreme conditions and will eliminate 'Slips and Trips' in your working environment.

**Surface grade:** Fine Profile – 1mm aggregate (1/16" approx.)

## HIGHLY VISIBLE

Colour coded in a wide range of colour schemes to suit individual locations.  
Colour codes are: safety yellow, black  
Other colours available – please ask.

## HEAVY DUTY

Scotgrip® Ladder rung covers are extremely durable and remain highly effective for many years.

## STANDARD SIZES OR TO CUSTOMER SPECIFICATION

Scotgrip® Ladder rung covers are manufactured in a wide range of standard sizes (see tables opposite). We regularly manufacture custom sizes to suit individual locations.

## EASE OF INSTALLATION

Scotgrip® Ladder rung covers are designed for quick and secure fitting, by bonding to existing ladder rungs with adhesives. Scotgrip® products are non-load bearing and must have a suitable underlying structure to be secured to.

## QUALITY – IT'S WHAT DRIVES US

All Scotgrip® products are manufactured under BS EN ISO 9001:2008 quality controlled conditions using highly compatible raw materials at our premises in Banchory, UK.
