

SCOTGRIP®
step into a safer environment

**Manufacturers of heavy duty,
anti-slip safety products**

Scotgrip® Dunnage Mats

Scotgrip® Dunnage mats are manufactured from heavy duty, high traction anti-slip urethane rubber for use on decks to protect them from heavy loads.

This product provides excellent protection to the deck and is designed to give a long lifespan.

- Tough, durable and resilient
- High tear strength of 61kN/m
- Lightweight and easy to handle
- Hardness of 90 shore A rating
- Chemical resistant
- Choice of colours
- Choice of sizes or custom made
- Very hardwearing
- No absorption of chemicals
- High tensile strength 19 MPa

We manufacture this product to a standard thickness of 12mm but can manufacture other thicknesses to customer requirements.

The mats are lightweight and can be easily manoeuvred. Salt water, water, oil, kerosene, drilling fluid and oil based mud tests have been carried out on the product with it showing no wear or absorption of the chemicals.

For all enquiries please contact: info@scotgrip.com
