200mm (8")	16	35.2	222	8.74	346	13.6	143	5.63	GSR200

HIGH TRACTION ANTI-SLIP

Scotgrip® Gripmate® ramps will provide a sound foot-holding even in the most extreme conditions and will eliminate 'Slips and Trips' in your working environment.

HIGHLY VISIBLE

Colour coded in a wide range of colour schemes to suit individual locations. SignAlert® markings and photo luminescent finishes are also available.

HEAVY DUTY

Scotgrip® Gripmate® ramps are extremely durable and remain highly effective for many years. Our ramps are corrosion free and are of composite construction.

STANDARD SIZES OR TO CUSTOMER SPECIFICATION

Scotgrip® Gripmate® ramps are manufactured in a wide range of standard sizes (see tables opposite for standard Gripmate® pipe/cable/hose ramps). We regularly manufacture custom bridges/ramps to suit individual locations. Please send a sketch with dimensions and we will get back to you with details.

EASE OF INSTALLATION

Scotgrip® Gripmate® ramps can be placed into position quickly and easily due to their lightweight construction. These ramps have been designed for pedestrian and light equipment use only. If necessary, weld tags can be built into the product at manufacturing stage.

QUALITY – IT'S WHAT DRIVES US

All Scotgrip® products are manufactured under BS EN ISO 9001:2008 quality controlled conditions using highly compatible raw materials at our premises in Banchory, UK.
