

SCOTGRIP®
step into a safer environment

Manufacturers of Scotgrip HD anti-slip
& polyurethane safety products

Ref: SPM Pipemate
Issue No: 3
Issue date: May 2016
Page No: 1 of 2

Scotgrip® Pipemate® - Welcome to the future of drill floor safety

Scotgrip® Pipemate® is a heavy duty polyurethane rubber mat for use on set back areas.

Tough and resilient to withstand the weight of pipe and drill collars, Scotgrip® Pipemate® has been extensively tested with drilling fluids, oil based drilling fluids, salt water, water oil and kerosene with it maintaining high traction and showing no wear or absorption of the chemicals.

Scotgrip® Pipemate® is designed for quick and secure fitting. Scotgrip® Pipemate® mats can be simply placed onto the existing surface and can be connected with straight edge or dovetail joints.

This product is manufactured to a standard 40mm thick (1 ½" approx.), weighs approximately 40kg/m² (8.2lb/ft²) and can be made to any shape or size.

- Cost effective
- Tough and Durable
- Easy installation
- Fully guaranteed

- Non corrosive
- Reflects positively on personnel performance
- Can be cut/shaped onsite
- Manufactured to any shape or size

Safety for stairways | safety for walkways | safety for decks | safety for drill floors | safety for ladders | safety for ramps | safety for gangways | safety for pipes

Step into a safer environment with Scotgrip®
