## Providing safety solutions to industry

**Scotgrip® Premier stair products incorporate the unique Scotgrip® high-traction anti-slip safety surface which gives a sound foot-holding in the most extreme conditions. These tough and durable products are manufactured under BS EN ISO 9001:2008 quality controlled conditions comprising of a reinforced composite base and a graded aggregate surface. As a Scotgrip® quality standard, these products are fire rated, spark and friction tested.**

The leading edge of a step is the most dangerous part, especially if it has been damaged, worn smooth or rounded by constant use. By installing Scotgrip® Premier stair products not only is this slip hazard eliminated but the lifespan of the step is greatly increased. These heavy duty products are easily fitted onto open grating/grille, chequered plate, concrete or wood.
